2

The decision on the payment of grants to the HOAs is made taking into account the conduct of military actions in the territories

The Supervisory Board of the Energy efficiency Fund has made a decision according to which applications for grants from the HOAs are accepted and approved in the established order. However, the grants will be paid to those HOAs located on the temporarily occupied territories and in the settlements on the territory of which the state authorities of Ukraine temporarily do not exercise their powers, as well as in the settlements located on the collision line, after liberation of territories and receipt of a guarantee letter from HOAs.
