95

Total modernized projects

34

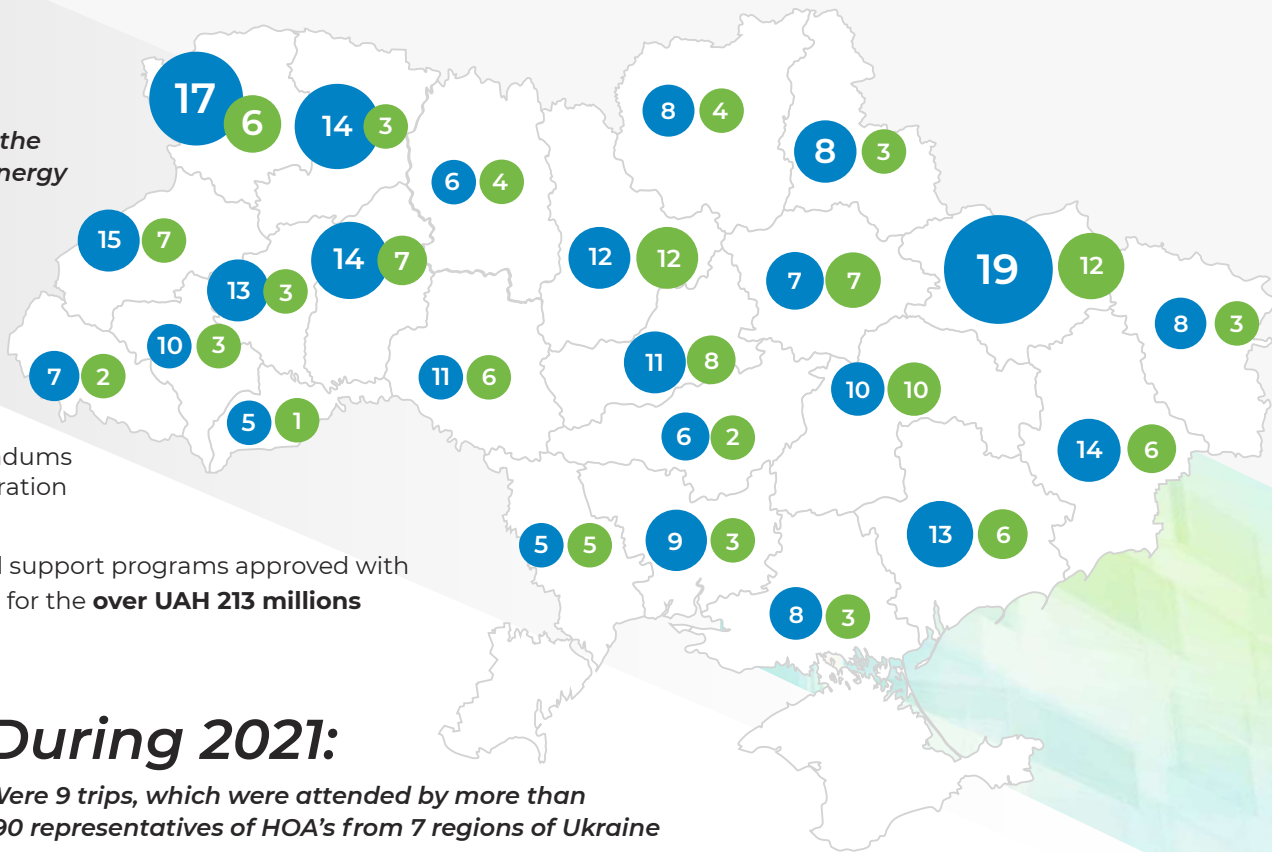

Completed participation in the Program (received all grants)

- **Value of modernized projects:** UAH 618,689,000
- **Grants value:** UAH 430,824,000
- **Avoided CO2 emissions:** 8,893 tons/year
- **Energy saving:** 33,900,000 kW·hour/year or 44,500,000 UAH/year
- **Participants:** 7558 households

Cooperation with Local Communities as of 31 December

250 communities of Ukraine became the partners of the Energy Efficiency Fund.

250 Memorandums on cooperation

125 Municipal support programs approved with financing for the **over UAH 213 millions**

During 2021:

Were 9 trips, which were attended by more than 190 representatives of HOA's from 7 regions of Ukraine

The Energy Efficiency Fund has continued the series of demonstration trips to the regions to acquaint HOA's and the media with completed energy modernization projects

Trip to Mykolaiv was made in December

Participants: more than 30 co-owners-potential participants of the Energodim program from Kherson Region, representatives of municipalities, IFC regional advisors

#Energy efficient region: Poltava city

In the city there are:

8 projects

The project cost makes:

UAH 49 million

- More than 260 associations of co-owners of multi-apartment buildings have been established in Poltava.
- The EE Fund signed a memorandum on cooperation with the Poltava City Council in December 2021.
- On July 23, 2021, the Poltava City Council amended the Program to support associations of co-owners of multi-apartment buildings in Poltava for 2020-2025, expanding financial support for ENERGO DIM Programme participants. The city program currently reimburses a part of the interest rate (up to 25%), as well as 30% of the loan body after project completion.
- Program budget: 2021 - UAH 3.4 million, 2022 - UAH 5 million (planned).

2021 Key Highlights

1

Change of EE Fund Leadership

Yehor Farenjuk, who served as acting Head since September 2021, was competitively selected as the new CEO of the Energy Efficiency Fund

2

Energodim Program Amended

Experts of the Fund approved three revised versions of the Energodim program with amendments aimed at streamlining procedures, reducing financing burden on HOAs and speeding up on-site project implementation process

3

Increase of the EE Fund Statutory Capital

Ukraine's 2022 Government Budget earmarks UAH 2.6 Bn for the Energy Efficiency Fund. Thus, the overall statutory capital of the Fund in 2022 will reach UAH 5.4 Bn, which will further enhance the Fund's broader efforts to renovate multi-family housing stock

4

Reusable Design Solutions for Engineers

These solutions will guide design engineers during preparation of project design documentation for energy efficiency enhancement measures in 5- and 9-storeyed buildings eligible for participation in Energodim program

5

Launch of IT-platform

From now on, HOAs may file application for participation in the Energodim program online, via personal account

6

Best EE Project Contest

The Fund selected 6 winners of the contest for the most energy efficient building, most energy efficient community, best energy auditor and best mass media covering energy efficiency topics

7

Partner banks of the EE Fund

In 2021 PrivatBank and Oschadbank joined Fund's partner banks (UkrGasbank and Kredobank)

8

Training webinars for HOAs and technical experts

111 webinars: nearly 3,000 participants

9

Media promotion of EE Fund activities

2653 news about the EE Fund in the media with general coverage more than 26 million people

Information on the EEFund capital adequacy

Indicator	as of 01.01.2022 million UAH	
	Fund	MDTF*
Available funds for payment of grants	2 509,99	2 446,94
Of which funds reserved for payment of grants	1 835,99	

*Multi-Donor Trust Fund (MDTF)
