

current applications for the program

Енергодім

- 724 Total projects
- 25 Verified projects
- 31 Projects under verification
- 472 Projects in progress

- **Overall value of submitted projects:** UAH 5,789,126,000
- **Grants value:** UAH 3,715,700
- **Number of affected households:** 65,711
- **Energy savings:** 313,686,000 kW·hour/year or UAH 418,500,000
- **Avoided CO² emissions:** 83,230 tons/year

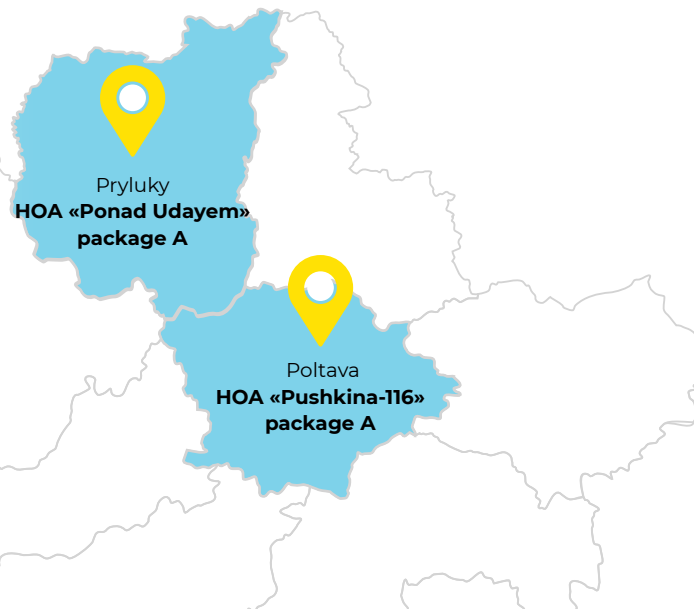

Dynamics of incoming applications

Completed projects in July

Енергодім

- 56 Total modernized projects
- 25 Completed participation in the Program (received all grants)
- 2 In July

- **Value of projects:** UAH 85,000,000
- **Grants value:** UAH 58,100,000
- **Avoided CO² emissions:** 2883,6 tons/year
- **Energy saving:** 9,500,000 kW·hour/year or 12,800,000 UAH/year
- **Participants:** 2 221 households

Cooperation with Local Communities

More than 220 communities of Ukraine became the partners of the Energy Efficiency Fund. The EE Fund started the cooperation with Dnipro City Council in July.

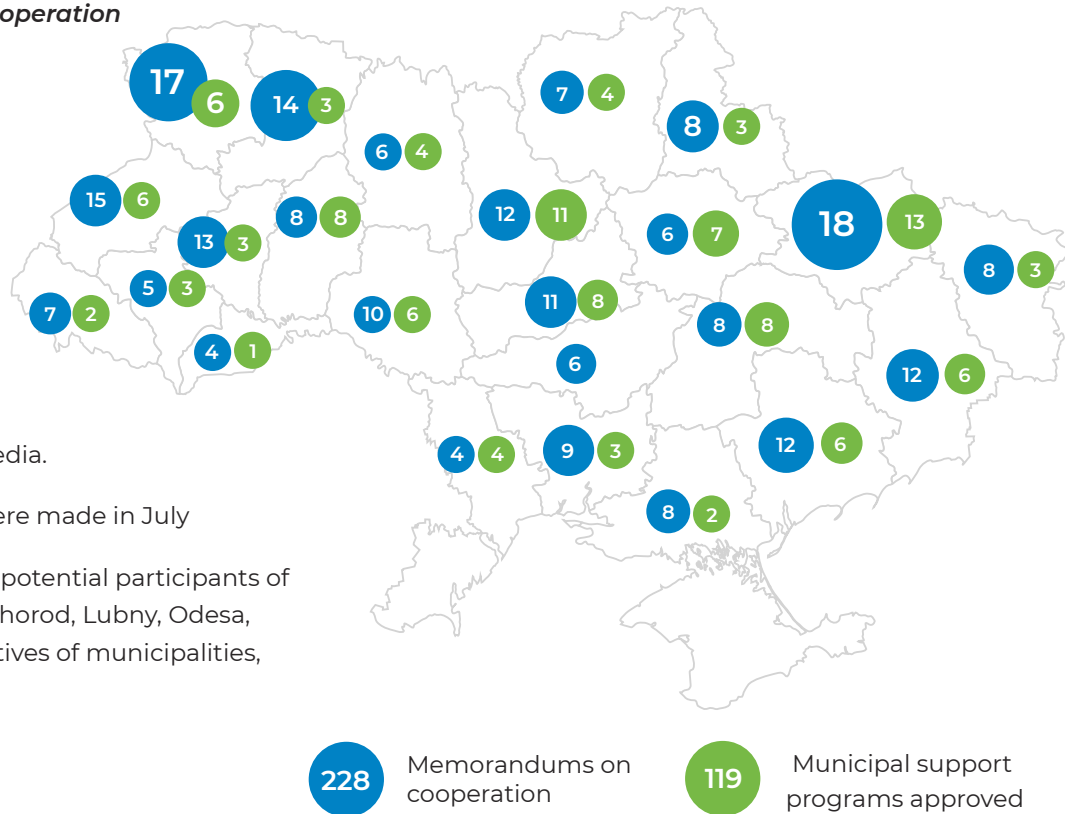

The EE Fund continued the succession of demonstrational trips to different regions of Ukraine

Aim: representing the completed projects on energy renovation of the multifamily buildings under the Energodim program to the local HOAs and media.

Two trips to Pryluky and Odesa were made in July

Participants: more than 70 HOAs, potential participants of the Energodim program from Myrhorod, Lubny, Odesa, Chornomorsk, Yuzhne, representatives of municipalities, IFC regional advisors

*as of July 31

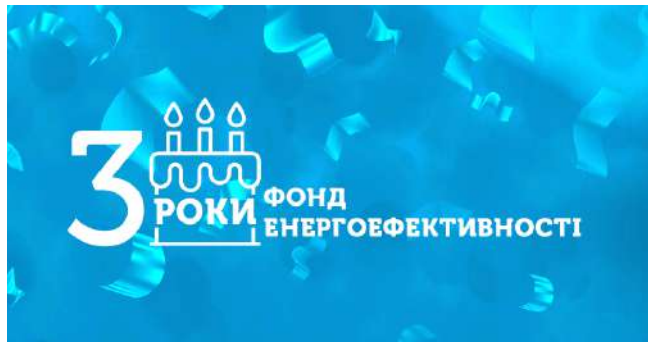

Success stories in cooperation with cities: Nizhyn

- **69 HOAs** were created in the city
- The EE Fund signed the Memo on cooperation with Nizhyn City Council in **August 2020**
- **In 2019** Nizhyn City Council approved the City special purpose program on support of the co-owners of the multifamily buildings of Nizhyn territorial community on implementation of the energy efficiency measures
- Program budget – **UAH 1,25 million**
- Energodim program in the city - **8 projects** (project costs – UAH 26,4 million)

July 2021 Main events

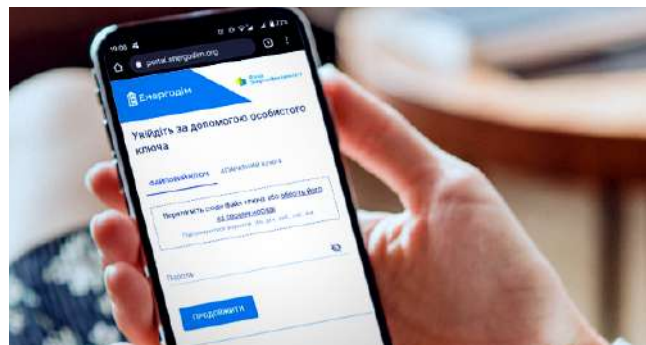

EE Fund third anniversary: main achievements and challenges

On July 24 the EE Fund celebrated the third anniversary of its launch and summed up the key results:

- Received more than 700 applications from HoAs to participate in the Energodim program. The total cost of the projects is UAH 5.7 billion, the participants are 63.5 thousand families, to whom the Fund compensates more than UAH 3.6 billion in the grant form
- 228 partner communities, 119 HoAs support programs (budget is more than UAH 100 million)
- Four partner banks and 8 editions of the Energodim program

Launch of e-cabinet for the participants of the Energodim program

- The applications from the HOAs on participation at the Energodim program can be sent online. This service is available in personal e-cabinet of the participant of the Energodim program. This innovation will simplify the process of applying the documents and reduce the time for receiving the documents by the Fund

16th Ukrainian Municipal Forum: from energy efficiency to the European green course

- The participants exchanged their experience and shared their vision of the future development in the energy efficiency sphere
- Modern energy efficiency tendencies and decisions were represented in frames of the Ukrainian Municipal Forum. These innovations allow to use the energy resources effectively and save money

"Modernization of buildings by Districts"

The project goal lies in modernization of the buildings and district heating facilities of the city with the quarter approach

7th Donor Coordination Council Meeting

The Parties discussed the implementation of strategic plans for the development of the Energy Efficiency Fund and the Energodim Program

The updated list of the first 500 HOAs

The EE Fund confirmed the updated list of the first 500 applications from HOAs that will receive the increased +20% grant
